June 2, 2026 | Round Rock, TX

PAPFs

Coaches Compliance (CCP)

Varsity Eligibility Lists

Key deadline: June 10

Partnership Overview

Rank One + UIL Partnership

Strategic partnership to modernize UIL administrative workflows and provide customized eligibility reports.

What Rank One Will Manage (Implementation Transition Begins June 1)

Mid June

First Electronic PAPFs Expected

Schools must be ready to receive and process digital PAPFs.

Complete your setup now — don't wait until June 10.

System Configuration

School Readiness Checklist

Every school should verify the following before June 10:

- ✓ Administrator contact information & cell phone numbers

- ✓ ATAVUS information for football coaches

Missing any of these items will delay your school's ability to participate in UIL workflows.

Building the UIL Ecosystem

The Right People Matter

Schools, coaches, administrators, and UIL must all be connected within the system for workflows to function.

Common Setup Mistakes to Avoid

Missing cell phone numbers · Unassigned roles or oversight · Coaches without certification numbers on file

Configuration = Readiness

A fully configured school can process transfers, verify eligibility, and track certifications — all electronically.

Next Steps Before June 10

01 Complete profile & role verification

Ensure all admin contacts, cell numbers, and role assignments are accurate.

02 Verify coaching assignments & certifications

Confirm THSCA/TGCA numbers and ATAVUS info for football coaches are on file.

03 Attend follow-up training if needed

Additional training sessions available — contact your Rank One representative.

04 Contact support with configuration questions

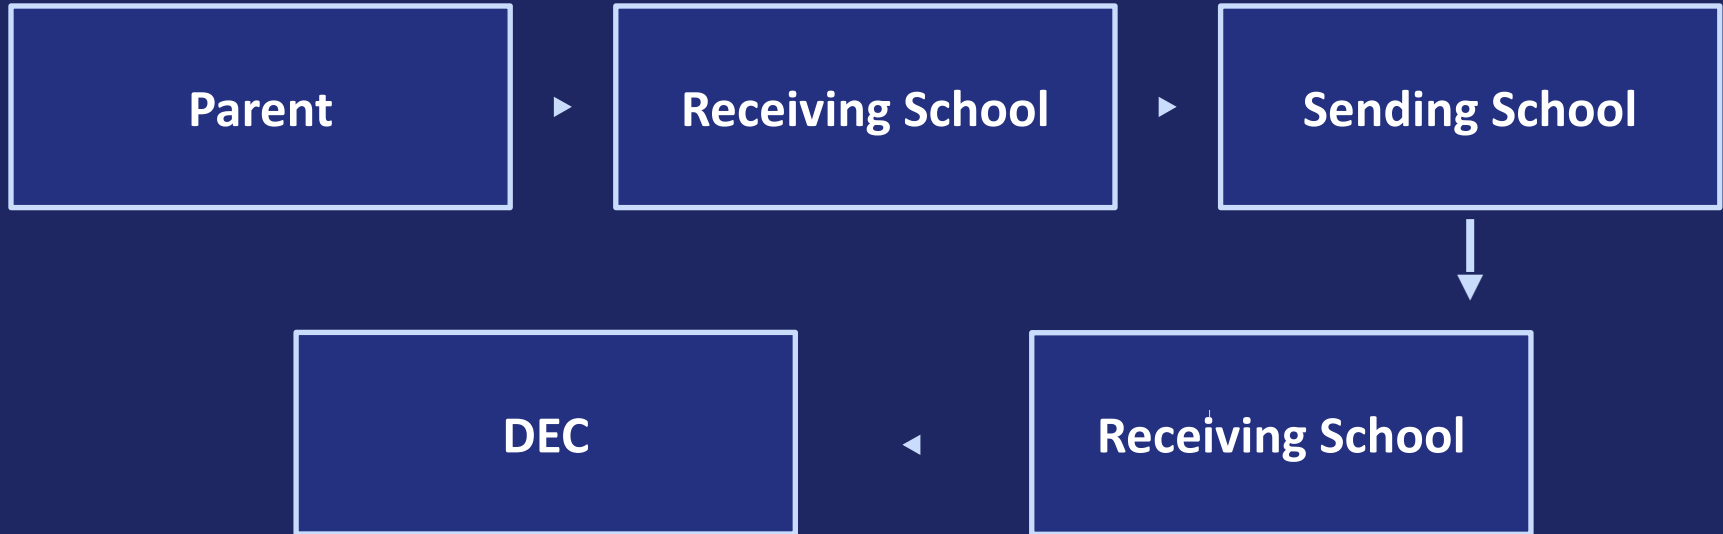

Reach out before June 10 — don't wait until the deadline.

PAPF Functionality

Walking through electronic Pre-Participation Athletic Forms

PAPF Workflow Preview

Electronic PAPFs replace paper-based transfer forms — expected live by June 15.
